"CHAMBER OF COMMERCE."-The fin-

meeting for organization of the Chamber of Commerce is called for to-morrow evening at Washington Hall. Let there be a full turn out. NEW LIGHT UP.-In accordance with an enactment of the City Council at its

last session the Cleri; of the Municipa Court has had a gas burner put into his office "at a cost not exceeding \$8."

THE SKATING PARK.—Every arrange ment is being perfected at the Skating Park, and in a day or two it will be O.K. This sort of weather is just the kind to complete the work,

WEATHER.—Yesterday was the near-est approach to winter we have had yet. It was cold all day—the sun struggled fiercely, but to no account. Overcoats flercely, but to no account. Overcoats were largely in demand—and people on the streets moved lively.

MORE VALUABLE PROPERTY FOR SALE -Mr. Thos. O'Brien, real estate agent, more valuable property, including No. 1 piece of coal land. This is another admirable opportunity for in

successive day yesterday there was no police court. People must be saving their money for the holidays, or per-haps to buy overcoats or coal, with which to provide against the cold weather.

the usually large amount of "light on the subject" in our columns this morning, wedon't want our readers to blame it on us. Our gas "went back" on us last night for a while—very nearly stopping us up. But perseverance brought it out all right,

NEW TELEGRAPH OFFICE.-The Uni ted States Telegraph Company on yesterday opened an office for the transac-tion of business at Burning Springs, Kanawha oil region. This will supply a need long feit by the business com-munity, and we hope the company may be well repaid for their enterprise,

Postoffice Department is now prepared to furnish stamped envelopes of the denominations of nine, twelve, eighteen, twenty-four, thirty and forty cents. These envelopes are specially designed for the use of express companies and others who carry mail matter outside of the mails—the postal law forbidding such matter to be so carried unless the same be enclosed in Government atamped envelopes of a denomination sufficient to cover the postage thereon.

THE PESTIVAL LAST NIGHT.—Wash ington Hall was filled last night, with as happy a company as ever assembled within its walls, in patronage of the festival of the ladies of the Island who festival of the ladies of the Island who desire to enlarge their Sabbath School chapel. Quite a number of articles were disposed of, ornamental and useful. The refreshments were excellent and the gay smiles of the gentler sex did much towards disposing of the goods on hand. We should suppose that the proceeds were handsome in amount.

RIVER NEWS,-The river was falling esterday, with seven feet and nine aches of water in the channel. The New State left for Cincinnati, with

a large load of freight, including two hundred and eighteen tons of Government commissary stores.

The Lorena passed down for New Orleans, and the Kate Robinson passed down for St. Louis, each with a most excellent load.

The American passed up.

The regular packets made their usual trips.

trips.
The landing was only tolerably lively. The cold kept away all who were not forced down by business. IN THE CITY .- Maj. Geo. H. Hooker, A.

A.G., of Brooke co., this State, was at the McClure House yesterday. He was ordered some time since to his residence, to report by letter to the Adjutant General of the army at Washington city for orders. Maj. Hooker is one of the war washer solling for city for orders. Maj. Hooker is one of the most gallant soldiers from our State. He entered the service in the Spring of 1861 as a private, and by hird service won his way to the position he now holds. He has been several times wounded, from the effects of which it is probable he will never recover. He was last on duty on the staff of Gen. Hancock, commanding the Middle Military Division. FOR THE HOLIDAYS.-When the glad heart of the father, mother, brother, sister, or sweetheart, shall feel a desire to bid good cheer to the dear ones at home or abroad at the coming Christmas times, they will wish for some HIGGINS' GALLERY, token by which to express the kindly thoughts they feel. To know where to thoughts they feel. To know where to find an endless variety of things useful, and things ornamental, is what all wish. That place, we say, is the notion store of Messers, D. Nicoll & Bro., on Main street. There can be found, at cheap rates, all that the most fastidious desire—whether for young or old—nale or female—for ornament or use—a stock which it tires to examine, and which must be seen to be appreciated. Call and purchase.

MAN RUN OVER BY THE CARS,—Yesterday morning just as the down train

terday morning just as the down train on the C. & P. R. R. was leaving the depot at Martinaville, Mr. John Newlan, who was on horseback, attempted to ride across the track in front of the to ride scross the track in front of the engine. He was a little slow in his movements, it seems, and before he could get across, his horse was struck by the engine cow-catcher. He was thrown to the ground, and it was supposed for a while that he had been killed, but when he was taken up and examined it was found that his injuries, which were principally about the head, though severe, were not likely to prove fatal. He bled profusely for a good bit. The horse had a leg broken.

The escape of Mr. Newlan from instant death was considered by the spectators as almost miraculous. As it is, he will be a long time recovering.

MANNIFICENT PRESENT FOR A LADY. -Now that everybody is investing more or less spare cash in the way of making or less spare cash in the way of making their friends happy, we have a word of advice to such people, to wit: that the Wheeler & Wilson Sewing Machine, sold at No. 99 Main street, is the most appropriate and valuable gift to a lady that could be made.

We designate the Wheeler & Wilson because it is universally admitted to be superior to any other in use.

Their orders for this purpose have already been unusually numerous.

BUSINESS NOTICES.

THERE is no deviation from health, so painful and distressing as are affections of the Genito-Urinary Organs. If of long standing, they depress the mind and wear upon the nervous system, rendering life anything but happy. Dr. Klaner gives special attention to those diseases, using no mercury or other poisons.

COMMON SENSE,—We recommend the Hoarhound Balsam as equal in merit to any preparation in the market for Coughs, Hoarseness, &c. It does not constipate the bowls. It does not debilitate. It is pleasant, safe and effectual. Price 35 cents. Sold by T. H. LOGAN & Co., and LOGAN, LIST & CO.
